

What will you Discover?

Expand your discovery power with BD Biosciences

Welcome to the journey into a new era of scientific discoveries

Date: 11th February 2025

Location: Biolabs Heidelberg, Nikola-Tesla-Str. 1, 69124 Heidelberg

Agenda

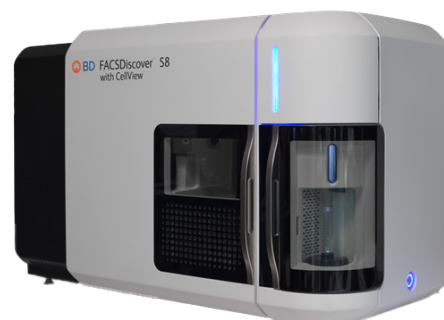

- 13:00 – 14:00 h *Arrival & Registration*
- 14:00 – 14:15 h **Welcome & Introduction**
- 14:15 – 15:30 h **Resolve complex biological data with the latest technologies**
- BD CellView™ Technology – go beyond the dot and get visual information in real-time
 - BD SpectralFX™ Technology – combine more parameters in a higher dimensional flow cytometry panel
 - BD Horizon Real™ dyes – latest developments on the clean, bright and laser specific dyes
- 15:30 – 16:30 h *Coffee break*
- 16:00 h – 17:00 h **Interactive exchange & Networking**
- Live data analysis acquired on a BD FACSDiscover™ platform
 - Scientific discussions with participants and BD experts

*Speakers: Sandra Blaszkiewicz, Sales Application & Technical Consulting, BD Biosciences
Mark Dessing, Manager European Center for Single Cell Solutions, BD Biosciences*

Snacks and beverages will be provided.

BD FACSDiscover™ A8 Cell Analyzer

BD FACSDiscover™ S8 Cell Sorter
